- ☀ Tartan International was established in 2002 and has, at present, about 50 students and pupils.
- ☀ The maximum number of students in a class is 4!
- ☀ From time to time we arrange live conversations with friends in other countries by internet.
- ☀ From time to time we arrange live conversations with friends in other countries by internet.
- ☀ Douglas has many years experience in correcting and assisting in writing thesis, abstracts, summaries etc. in English. As a member of our school you qualify for help with your reports and research presentations.
- ☀ We produce our own DVDs and other media to assist in our conversation classes. We have a wide range of images from the UK and Sweden, as well as other countries, which we use to illustrate our lessons.
- ☀ If you have plans to study English abroad, we can probably help you prepare and even put you in contact with some of our many friends in the country you will visit.
- ☀ Our classroom is situated in Toroku quite close to both Kumamoto and Kumamoto Gakuen Universities
- ☀ We are open all days (except Wednesdays) and try to arrange your lesson at a time that suits you. Mornings, afternoons or evenings.
